

Southview

YOUTH

March 15, 2010

Youth Minister : Rob Petrini rob.petrini@southview.org (703) 860-8800 Ext. 113

Hi all,

It looks like Spring is finally here, woohooo!!! There is a lot happening here at Southview so let me get started:

Youth Auction

Solicitations are slowly coming in (we are still far short from where we need to be, please let me know if you can solicit donations, we have a list of places that have not been solicited yet), but we need some help from the youth who can donate time and services (such as lawn mowing, babysitting, car washes, etc.). Please let me know if you can donate time and services. The proceeds from the youth auction will go toward supporting our summer youth trips (Centrifuge and World Changers).

Centrifuge

This is the last week I can make any changes (adding or subtracting people) to Centrifuge. If you have not advised me about your intention to come to camp this summer, you need to let me know before Thursday!

Mark Your Calendars:

sunday. march 31: Youth Night

TIME CHANGE: We are meeting at 7:30pm here at Southview (right after "We Gather Wednesdays").

saturday. april 4: No Youth Small Groups that evening.

saturday. april 17: Youth Auction

Starting at 6pm here at Southview and running to 9pm.

saturday. may 1: Youth Yard Sale & Car Wash

Start putting aside all those things, the youth yard sale is just around corner!

A Challenge

I 've started on my blog "A Verse, A Day ". It is not about promoting anything other than getting us to read at least one verse a day. I want to encourage you all, there are two things I would love to see us all grow in:

- PRAYER: Having a consistent prayer life.
- BIBLE: Reading God ' s Word on a regular basis.

It 's just one verse and it will only take you a few seconds to read. It 's a challenge...
